LOCAL SCHOOLS

2019 Canal Winchester High School  
Summer Credit Recovery & Credit Advancement Information  
through TRECA Online Summer School  
**June 12th (Wednesday) – August 7th (Wednesday)**  
<https://treca.org/programs/summer-school>

**COURSE INFORMATION:**

Courses are offered to students seeking to make up credit for a semester or course failed or to complete a course in advance of the upcoming school year. Summer school is eight weeks long and is offered entirely online. TRECA Summer School allows students to work at their own convenience at home. Students are expected to complete work consistently throughout the eight-week program. Please note that extra credit is not available in summer school. Students should log in on the first day of the program to make sure they know how to navigate to their course(s).

**REGISTRATION OPENS APRIL 17th & CLOSES JUNE 7th**

Students may register online at <http://treca.org/programs/summer-school> from **April 17th – June 7th @ 11:59pm**. After you have completed your registration, download the “Getting Started” documents, as well as the syllabus for each course that you have enrolled in. Please review all TRECA’s rules and requirements before signing up for a course. TRECA will send you an email the day before classes start with your login information. Make sure to log in on the first day of the program.

**PAYMENT:**

The fee for each semester (.5 credit) course is \$95. You can pay online with a credit card or through the mail (100 Executive Drive, Marion, OH 43302) using a cashier’s check or money order. Full payment is due before registration closes. **No payments are accepted at Canal Winchester Schools.**

**TECHNOLOGY AND HELP DESK:**

Students are responsible for providing their own technology and should check the TRECA website to ensure their computer or device meets TRECA’s technical requirements. This ensures the student has ample time to obtain support should they need technical support or help with the content. Should a student experience a technical issue or need help getting started, the help desk is available Monday-Friday 8 am– 4 pm. They may be reached by email at [support@treca.org](mailto:support@treca.org) or by phone at 1-888-828-4798; ext. 2791.

**CURRICULUM:**

TRECA’s courseware are a mastery-based curriculum. Most modules contain a tutorial, an application, and a mastery test. Students will work through and gain knowledge about the lesson through the tutorial. They will practice the skill through the application. Then, they will complete the mastery test. Students must score at least 80% to pass each mastery test. If the minimum score is not earned, the master will lock. The student will review the tutorial and practice the application. After reviewing, the mastery test will unlock for the student to retake. In order to earn credit, students must:

- Complete all assignments
- Score an 80% or above on all mastery tests
- Complete all post-tests
- Complete the end of semester test

### PARENTS:

Parents, make sure to include your email address in the registration process. TRECA will include you on all communications. The student/guardian are responsible for tracking progress and making sure that all courses are complete by the deadline. Progress is available 24/7 to view and is instantly updated.

### CREDIT RECOVERY:

Please check with your guidance counselor **BEFORE** signing up for the class to ensure the class meets the same requirements as the one you failed. If you failed a full-year course, you **MUST** enroll in part A **and** part B to get credit for the class.

### ADVANCED CREDIT:

If you are taking a class for advanced credit, please check with your guidance counselor **BEFORE** signing up for the class to ensure the class meets all the requirements for graduation!

### COURSE COMPLETION:

All courses must be completed by **August 7th at 4:00 p.m.** Students can finish their course(s) before the deadline. All modules must be complete to earn credit for the course. If all modules are not complete, the final grade on the summer school transcript will be an "I" – Incomplete with 0 credit. The scores earned on the mastery tests, post-tests, and end of semester test are calculated to determine your final grade. All tests are equally weighted for the summer school program. Courses not completed by August 8th will be incomplete. Incomplete courses are on the transcript with the final grade I (incomplete) and will show as 0 credit.

### END OF COURSE TRANSCRIPT:

At the end of the program, TRECA will send a transcript to your counselor that includes the course name, final score, letter grade, and credit earned. **It is the student's responsibility to check with their counselor to be sure they received the transcript.**

### GRADING SCALE:

- A = 90-100%
- B = 80-89%
- C = 70-79%
- D = 60-69%
- (or 0-69% on post-tests and end of semester tests)
- I = Incomplete (course requirements have not been met)

There are no + or – grades issued for summer school. The transcript from summer school will contain the course name, your final score, letter grade, and credit earned.

**Please note: these classes are not recognized by the NCAA.**

### COURSES AVAILABLE: All classes are .5 credit course
