For more information, reference Board Policies 2260, 5517, 5517.01 available on the web at www.cwschools.org.

Search and Seizure: Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of the law or school rules. (Policy 5771) A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent. Students are provided, desks and other equipment including computers and network access in which to store materials. It should be clearly understood that this equipment is the property of the school district and may be searched at any time if there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches. Anything that is found in the course of the search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items that have been confiscated.

Student Rights and Responsibilities

STUDENT'S RIGHTS & RESPONSIBILITIES: The Canal Winchester Board of Education, in compliance with state law, provides for the education of all school-age residents in the district. The school shall abide by all legal rights guaranteed to the students. Each student has a right to all education resources necessary to operate an instructional and extra-curricular program. Students in the school have the responsibility to act in such a way as not to interfere with the rights of others to the same educational opportunity. By accepting the right to participate in the school programs on or off school property, the student shall also accept the responsibility to conduct themselves according to the rules, regulations and provisions governing the operation of these programs. The school principal assumes responsibility for establishing and enforcing procedures necessary to ensure that students' rights are preserved and that the accompanying responsibilities are carried out. Students may forfeit certain rights when it can be demonstrated that they are not assuming their responsibilities.

STUDENT'S RIGHTS OF EXPRESSION: The school recognizes the right of students to express themselves. With the right of expression comes the responsibility to do it appropriately. Students may distribute or display, at appropriate times, non-sponsored,

noncommercial written material and petitions; buttons, badges, or other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet school guidelines. Material cannot be displayed if it is obscene to minors, libelous, indecent, or unsanitary, advertises any product or service not permitted to minors by law, intends to be insulting, harassing or intimidating, or intends to incite fighting or presents a likelihood of disrupting school.

STUDENT'S WELL-BEING: Student safety is a responsibility of students and staff. All staff members are familiar with emergency procedures such as fire drills, tornado drills, safety drills, and accident reporting procedures. Should a student be aware of any dangerous situation or accident, he/she must notify any staff member immediately.

INDIVIDUALS WITH DISABILITIES: The Americans' With Disabilities Act (A.D.A) and Section 504 of the Rehabilitation Act provide that no individual be discriminated against on the basis of disability. This protection applies not just to the student, but all individuals who have access to the district's programs and facilities. If a disabled person visits the school and requests accommodation, s/he may submit in advance of the visit, Request for Accommodation Form (9160A).The Canal Winchester School District provides a variety of special education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Act (IDEA). A student can access special education services through the proper evaluation and placement procedure. Parent/guardian involvement in this procedure is required. More importantly, the school wants the parent/guardian to be an active participant. To inquire about the procedure or programs, a parent/guardian may contact the Director of Special Education at 614-920-2610.

Any fashion (dress, accessory or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted. Personal expression is permitted within these general guidelines.

- Clothing should be so constructed and worn in such a manner that is not unduly revealing. Halter tops, tank tops, midriff tops, very short mini-skirts or shorts and other garments of this nature are not acceptable. Dresses and shorts should come to the mid-thigh length, which would be to the fingertips of a child when they extend their hands to their side.

ACADEMIC POLICIES

HOMEWORK POLICY:

Homework: Homework will be assigned as part of the curriculum to extend and reinforce the school learning experience. Homework provides practice of skills, experience in data gathering, integration of knowledge, remedial assistance and development of independent work and judgment. The number, frequency and difficulty of homework assignment will be based on the ability and needs of a student.

Student Responsibilities: Keep an accurate list of all homework assignments/projects in a student plan book; find out what materials are expected to be used in the completion of homework assignments; set aside a time each evening for homework; turn completed assignments in on time; arrange a time with the teacher for needed extra instruction and inform parents/guardians when school supplies need to be replenished.

Parent/Guardian Responsibilities: Encourage, motivate, prompt and question child regarding homework assignments and projects; check book bag to make sure things are organized; create a space to do homework; provide AND replenish required school supplies for home and school use and help your child set up a weekly calendar. This should include extra-curricular activities, family commitments, appointments and academic requirements.

Teacher Responsibilities: Encourage, motivate, prompt and question child regarding homework assignments and projects; homework assignments should not exceed 10 minutes per grade level of actual time on task. For example: third grade students should not have more than thirty minutes of homework for all subjects combined. This policy does not apply to long-term assignments. Categorize homework as preparatory, practice, extension or creative to help students see the purpose of the assignment; discuss and assess homework in a timely manner; send home reminder check sheets at the end of first semester and otherwise as needed for replenishing needed school supplies. No homework assignments will be scheduled during testing weeks, Thanksgiving break, winter break and spring break.

Homework Request: Homework assignments should only be requested when a student is absent **two or more** consecutive days. In order for the teacher to have the necessary time to acquire homework for absent students, parents/guardians need to call the office before 10:00 a.m. Homework will be ready for pick-up after school in the office. Homework, tests, reports, or projects that were assigned in advance of the absence are due upon returning, if no additional information or material was provided during the absence.

STUDENT ASSESSMENT: To measure student progress, students will be tested in accordance with State Standards and District Policy. Unless exempted, each student will be expected to pass the appropriate Ohio State Assessments. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

PROMOTION, RETENTION & PLACEMENT: In making decisions concerning proper grade level assignment and/or promotion, the following areas will be taken into consideration: teacher assessment of student's progress, developmental age of student, social and emotional well-being of the student, attendance, and test results. In cases of **retention**, the parent /guardian will be contacted in advance, although **the final decision will rest with the principal**, with an appeal to the superintendent. **Placement** in the next grade may be noted on record rather than promotion if a student's work continues to be unsatisfactory after retention. In certain cases, conditional placement may be in order at a grade level to determine appropriateness.

STUDENT HEALTH AND MEDICAL INFORMATION

STUDENT HEALTH AND MEDICAL INFORMATION

Immunizations

Students in grades K-12 are required to have proof of immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hepatitis B, chicken pox, meningitis, tuberculosis testing if enrolling from a foreign country, and any other immunizations required by Ohio law and board policy. Those students not providing proof of required immunizations within fourteen (14) calendar days of school attendance will be subject to exclusion. Any questions about exemptions or immunizations should be directed to the school health staff. In addition to the immunizations listed **above, preschool students are** required to have proof of immunization against influenza, haemophilus influenza type b, pneumococcal disease, hepatitis A, and rotavirus.

Physical Examinations

First grade students new to our district and all students in preschool and kindergarten must have a physical exam within twelve (12) months prior to attending school. The healthcare provider is to complete the Child Medical Statement (preschool) or Physical Exam Report (kindergarten/first grade) and this form is kept in the student's medical file in the school health office. Preschool students must have a physical exam and submit a new Child Medical Statement every thirteen (13) months thereafter, as long as they are enrolled in preschool.

Wellness Policy

As required by law, the Canal Winchester Board of Education has established a Wellness Policy for the Canal Winchester Local School District. The board of education recognizes that good nutrition and regular physical activity affect the health and well-being of the district's students and staff. Each building has developed goals to establish good health and nutrition habits through nutrition education, physical activity and other school-based activities.

Injuries and Illness

Injuries – Injuries must be reported to a teacher or the office staff. If minor, the student will be treated and may return to class. If medical attention beyond the school health staff is required, the school emergency procedures will be followed.

Illness – A student who becomes ill during the school day must request permission from the teacher to go to the clinic. The school health staff will determine whether or not the student should remain in school or go home.

Emergency Medical Authorization Forms

All students are required to have a Student Health History and a Student information Form, which includes Emergency Medical Authorization, completed and updated annually. These forms are accessed online via the Parent OneView link on the cwschools.org website and are to be completed by the third day of school. Parents/guardians are requested to update Parent OneView forms when health information, medications, allergies, telephone numbers, addresses or contacts have been added or changed during the school year. No student will be released from school without parental permission unless a serious or life-threatening condition warrants transportation to an emergency room. A reasonable attempt to contact the parent/guardian prior to transport will be made.

Conditions Requiring Exclusion from School

The Ohio Department of Health has provided strict guidelines for preventing the spread of highly contagious infections in the school environment. These guidelines are meant to protect your child and others from unnecessary exposure to infectious or communicable organisms. If these conditions are found or suspected by the school health staff or office staff, a parent/guardian will be contacted to take the student home. A student should not be in school if any of the following conditions are present:

- Any contagious bacterial or fungal infection until treated with antibiotics for at least 24 hours including, but not limited to; strep throat, conjunctivitis, ringworm, skin infections and scarlet fever.
- Fever of 100 degrees F. or higher within 24 hours
- Vomiting or diarrhea within 24 hours
- Undiagnosed redness and secretions from the eye/s
- Scabies, until initial treatment of an appropriate scabicide
- Impetigo, until there is no discharge and has been treated for 24 hours
- Chicken pox, until the 6th day after onset and until all sores (lesions) are dry, (students with shingles do not need to be excluded as long as sores are covered with clothing or bandages until sores have crusted)
- Undiagnosed rash – as per the guidelines submitted by the Ohio Department of Health, Division of Infectious Diseases, “all children sent to school with suspicious rashes must be excluded from school until the rash has been diagnosed by a physician”

Control of Casual Contact Communicable Diseases

Because schools have a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease. Specific diseases include, but not limited to; diphtheria, scarlet fever, strep infections, pertussis (whooping cough), mumps, measles, rubella, head lice and other conditions indicated by the local and state health departments. Any removal will be for the contagious period as specified in the school's administrative guidelines and per the department of health requirements.

Use of Medications

The Canal Winchester Board of Education shall not be responsible for the diagnosis and treatment of student illnesses. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours or if the child is disabled and requires medication to benefit from his/her educational program. For the safety of our students, the transportation of prescription medications to and from school is the responsibility of the parent/guardian. For the purposes of this policy, "prescribed medication" shall include all medicines prescribed by a physician or licensed prescriber. Non-prescription medications shall include all age and/or weight appropriate over-the-counter drugs, preparations, and/or remedies. "Treatment" refers both to the manner in which a medication is administered and to health-care procedures that require special training, such as catheterization.

Prescription Medications

Before any prescription medication or treatment may be administered to any student during school hours, the Canal Winchester Board of Education requires the student's physician/licensed prescriber and parent/guardian to complete a Medication and Treatment Authorization Form. This form is to be renewed each school year. This document shall be kept on file in the school health clinic. Prescription medication must be in the original container, labeled with the date, student's name, prescriber's name and exact dosage. Staff designated by the superintendent may administer prescription medication or treatment as authorized in writing on the authorization form by a physician/licensed prescriber and parent/guardian. All prescription medications must be stored and locked in the school health clinic. However, students shall be permitted to carry and use diabetes supplies, an asthma inhaler, or epinephrine auto-injector with prior written permission from parent/guardian and licensed prescriber as indicated on the Medication and Treatment Authorization form or Diabetes Medical Management Plan.

Non-Prescription/Over-the-Counter Medications

- _____ Students in preschool who need over-the-counter medication during school hours are required to have a Medication and Treatment Authorization form completed by the licensed prescriber. See the Preschool Parent Handbook for more information.
 - Students in grades K-12 may have age-appropriate over-the-counter medication if the required Non-Prescription Medication Authorization section of the Student Health History has been completed via Parent OneView. All medications must be provided by the parent/guardian in the original container labeled with the student's name and is to be stored only in the school clinic and administered by authorized school personnel, the child's parent/guardian, or authorized caregiver only.
 - Students in grades 6-12 may also carry and self-administer over-the-counter medications, but only when indicated by the parent/guardian on the Non-Prescription Medication Authorization section of the Parent OneView Health History. All self-carried medication must be in the original container labeled with the student's name.
- Examples of non-prescription medications: Tylenol, Motrin, Advil, Benadryl, Tums, Maalox, cough drops, cold and cough medicines, and lactase products. Parents/guardians can review and revise the authorized medication list at any time in Parent OneView. Any medication remaining at the end of the school year will be discarded one week after the last day of school.

Health Screening Programs

The Canal Winchester Local School District is continually concerned about the welfare and progress of children in the school. In an effort to consider your child's educational needs, the school conducts a variety of health screenings under the supervision of the school health staff and the speech/language pathologist to provide important information about each student. You will be notified if any of the screenings indicate problems or if there is a need for further medical advice. If you do not wish your child to participate in any of these screening programs, please contact the school immediately.

The evaluations that may pertain to your child (age and/or need appropriate) are listed below:

- speech/language screening
- hearing screening
- vision screening

In addition to these screenings, the nurse, school health staff and speech/language pathologist cooperate with students, teachers, parents, administrators, guidance counselors, community agencies, physicians and other pertinent professionals as deemed necessary.

CONFIDENTIALITY

DIRECTORY INFORMATION NOTICE: The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Canal Winchester Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents/guardians have advised the LEA that they do not want their student's information disclosed without their prior written consent. If you do not want Canal Winchester Schools to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing. The District has designated the following as directory information: student's name, major field of study, dates of attendance, current grade level, participation in officially recognized activities and sports, height and weight of a member of an athletic team, date of graduation, honors and awards received, and the current and previous educational institution attended by the student. The primary purpose of directory information is to allow the district to include this type of information in certain publications such as: a playbill, showing your students role in drama or musical productions, yearbook, honor roll or other recognition list, and graduation programs.

STUDENT RECORDS: Teachers, counselors and administrative staff keep many student records. There are two basic kinds of records - confidential records and directory information. The Records Control Officer for the district is responsible for the processing and maintenance of all student records.

Confidential records contain education and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents/guardians, the adult student or a surrogate. The only exception to this is to comply with State and Federal laws that may require release without consent. Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. The school must have the parent's/guardian's written consent to obtain records from an outside professional or agency. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent/guardian through the originator. Parents/guardians should keep copies of such records for their home file. Parents/guardians may also provide the school with copies of records made by non-school professional agencies or individuals. Information on former students also falls into directory and confidential information categories and will be made available on the same basis as enrolled students. Students and parents/guardians have the right to review educational records generated by the school district, request amendment to these records, insert addendum to records and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is wanted, please contact the building principal in writing stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions there may be.

PHOTOGRAPHY/PUBLICATION DISCLAIMER: During the course of the school year, pictures, videotapes, etc., containing your child's image may be used in newspaper articles, television stories, newsletters, brochures, school web pages, yearbooks, promotional products and other similar publications. If you **DO NOT** want your child's image published in the manner described above, please notify the office **in writing** as soon as possible and then verify with us that we have received your request. You must submit such a written notice to the office at the beginning of each school year.

SCHOOL ATTENDANCE POLICY

It is the belief of the Canal Winchester Local School that all students are expected to have regular attendance. Students are encouraged to make appointments, do personal errands, etc., outside of school hours.

State law specifically requires that every student up to the age of 18 must attend school. Absences are either classified as excused or unexcused.

In compliance with the Ohio Missing Child Law of the State of Ohio, all parents/guardians are required to notify the school office each day of a student's absence by calling the school of attendance or by sending a written statement of the cause of such absence. If a parent/guardian does not report a student's absence, the school is required to contact parents/guardians regarding the absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence.

As noted in the Ohio Administrative Code, the Board of Education considers the following as reason for an excused absence from school:

The Board considers the following factors to be reasonable excuses for time missed at school:

- A. illness (-doctor's excuse may be required)
 - B. illness in the immediate family that necessitates the presence of the student
 - C. death of a relative
 - D. Observation of religious holidays consistent with his/her religious beliefs (notification confirmation must be submitted at least one day prior to the absence)
 - E. Medical or dental appointment (usually a partial day)
 - F. Quarantine for contagious disease (as verified by a medical professional)
 - G. College visitation
 - H. Emergency circumstances (eg. court appearance, required meeting with social services agency, student required to travel with parent/guardian)
 - I. Absences due to a student's placement in foster care or changes in foster care placement or any court proceedings related to their foster care status
 - J. Absences due to circumstances impacted by homelessness
- Students participating in District approved out-of-state travel (up to a maximum of twenty-four (24) consecutive instructional hours) may participate in a District-approved enrichment program or be required to complete extra activities.

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

Family Vacation

Vacation days are noted in the annual school calendar. It is the expectation of the Board that families do everything possible to plan their vacations during these times. If this is not possible, arrangements must be made in advance through the attendance office. Family vacations up to 5 days may be excused as part of the parent/guardian excused absences.

Early Dismissal

Once a student gets to school, he/she is expected to stay the entire day or until that student is dismissed. Each student leaving school property during school hours will be required to have written communication from the parent/guardian or guardian. Please note that for security purposes, student will NOT be dismissed to parents/guardians following school events held during the regular school day. Parents/guardians wanting to take their student out of school early must follow the regular sign out procedures. Any student leaving early will be counted absent for that portion of the day.

Illness-During School

If a student becomes ill during the school day, he/she will be sent to the clinic. Office personnel will follow health procedures set forth by the school nurse to determine if a student should return to class or be sent home. If it is deemed necessary for a student to leave school, a parent/guardian will be contacted to come to the school to pick up their student. The parent/guardian will need to sign their student out in the school office. Exceptions can be made for high school students who provide their own transportation. Children need to be fever-free for 24 hours prior to returning to school. Students are not permitted to stay in the clinic during the school day.

Required Physician's Documentation

Because of the wide variety of reasons for a student's absence from school, the validity of an absence will be determined by the administration in each individual case. When a student reaches thirty (30) hours of unexcused or excused absences, a reminder letter will be sent home to the parent/guardian reviewing the attendance policy. After a student reaches sixty-five (65) hours of unexcused or excused absences in a year or thirty-eight (38) hours of unexcused or excused absences in a month, a physician's note will be required for medical verification in order for the absence to be excused.

Please note: medical verification means that a physician has treated an illness or injury and has verified to the attendance office that because of the illness or injury, the student was unable to attend school. Official medical notification (which includes the physician's name, phone number, and specific dates of illness to be excused from school) must be submitted to the attendance office upon the student's return to school within two (2) days following the absence.

Habitual Absences

Students have an obligation to attend school regularly and to abide by the rules and regulations of the Canal Winchester Local School District and the State of Ohio.

A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year. Excessive absenteeism shall be addressed with preventative strategies and alternatives to suspension or expulsion. A student cannot be suspended or expelled for violation of this policy.

The following procedures have been developed to address a student's attendance when there is a concern for truancy:

- A. At thirty (30) hours of unexcused or excused absences, a letter will be sent home to the parent/guardian reviewing the attendance policy.
- B. Between thirty (30) and seventy-two (72) hours of unexcused or excused absences, the school will utilize interventions to assist with improving school attendance.
- C. At thirty (30) or more consecutive hours, forty-two (42) or more in one school month, or seventy-two (72) hours of unexcused absences in one school year, the school must refer the student to an Absence Intervention Team to create an individualized intervention plan within 7 days of the triggering event. Within fourteen (14) school days after the assignment, the team must develop an intervention plan for the student in an effort to reduce or eliminate further absences. This plan will be monitored by the team and modified as needed.

1. The school is required to make three (3) attempts, in good faith, to engage the parent/guardian in the development and participation of the attendance intervention plan. If the parent/guardian fails to respond to the district's attempts to include them in the development of the plan, the district may report the parent/guardian to Child Protective Services.

2. If a student/family does not participate in the development of the plan, a copy will be mailed to the parent/guardian/guardian and the plan will be implemented.

3. Within seven (7) days after the development of the plan, the school district or school shall make reasonable efforts to provide the student's parent/guardian, guardian, custodian, guardian ad litem, or temporary custodian with written notice of the plan.

D. If the student reaches thirty (30) consecutive hours or forty-two (42) hours in 30 days of absences after the implementation of the absence intervention plan, the attendance officer will conduct an informal hearing.

E. If the student does not adhere to the plan or the plan is not successful and s/he continues to exhibit poor attendance, the district will formally refer the case to the county prosecutor and with Child Protective Services

Note: A student cannot be suspended or expelled for violation of the attendance policy.

Membership of the Attendance Intervention Team

The team may vary based on the needs of the student, but must include:

A. a representative of the district or school;

B. another school representative who knows the student;

C. the student's parent/guardians or designee (release of records for consent must be completed), guardian or temporary custodian;

D. may include a school psychologist, counselor, social work, or a representative from a county agency designed to assist families with reducing absences.

Filing of Truancy

The attendance officer shall file a truancy complaint with the county prosecutor against a student on the sixty-first (61) day of unexcused or excused absences after the implementation of an absence intervention plan or other intervention strategies, provided that all of the following apply subject to divisions (B)(2) and (3) of 3321.16 of the Ohio Revised Code.

A. The student was absent without a legitimate excuse from the public school the student is supposed to attend for thirty (30) or more consecutive hours, forty-two (42) or more hours in one school month, or seventy-two (72) or more hours in a school year.

B. The school district or school has made meaningful attempts to re-engage the student through the absence intervention plan, other intervention strategies, and any offered alternatives to adjudication described under division (C)(2)(b) of section 3321.191 of the Ohio Revised Code.

C. The District's attendance officer has scheduled and attempted to meet with the student and parent/guardian to conduct an informal hearing.

D. The student has refused to participate in or failed to make satisfactory progress on the plan, as determined by the absence intervention team, or any offered intervention strategies or alternative to adjudication.

An exception to the sixty-one (61) day requirement to file would be the student missing 30 consecutive hours or 42 hours in a month without a legitimate excuse after the implementation phase of the plan.

The Board authorizes the Superintendent/designee to inform the student and his/her parent, guardian, or custodian of the record of excessive absences as well as the District's intent to notify the Registrar of Motor Vehicles, if appropriate, and the Judge of the Juvenile Court of the student's excessive absences.

Extending or delaying the Attendance Intervention Plan

The district may extend the implementation of the plan and the filing of a complaint if the days leading up to the 61st day after the plan's implementation goes into the summer break.
