

Schedules are now visible on Power-school, and we know that they look different than in past years. **Please read this entire email** before emailing counselors with questions regarding your schedule.

Click This link “Grades and attendance” to see your schedule:

Do NOT click on the “MY SCHEDULE” tab in PowerSchool. This tab shows you a matrix and daily view. Since we are hybrid and not full-days, this chart will be very confusing and will not be helpful as you look to ensure your student is in the correct classes.

PLEASE NOTE: The “A” and “B” letters that you see under “exp” have NOTHING to do with what day your student will be attending school for the hybrid schedule. These are indicators used in the PowerSchool system for attendance, but they DO NOT indicate what track (A/B) your student is on for the hybrid schedule. We apologize for any confusion.

This is what a schedule for a SCHOOL-BASED student will look like under the “grades and attendance” tab:

Exp	Trm	Crs-Sec	Course Name
71(A) HR(A)	20-21	7140-13	Social Studies 7
72A(A)	20-21	9975-21	7th Flex
72B(A)	20-21	9970-22	7th Grade Lunch
73(A)	20-21	411-31	Spanish I
74(A)	20-21	7150-43	Math 7
75(A)	20-21	7130-53	Science 7
76(A)	20-21	7110-63	Language Arts 7

This is a sample schedule for a CWOLA student. You know that your student is CWOLA if there is “OL” after the number under the “Crs-Sec” section column

Exp	Trm	Crs-Sec	Course Name
71(A) 76(A) HR(A)	S1	7150-OL2A	Math 7
72A-72B(A)	S1	7110-OL2A	Language Arts 7
73(A)	S1	7130-OL2A	Science 7
74(A)	S1	7140-OL2A	Social Studies 7
75(A)	S1	7660-OL1A	Career & College Connections 7

How do I know if my student is signed up correctly for either school based or CWOLA?

	CWOLA	School-Based
Course numbers	7150-OL2A (There will be an "OL" after the courses to indicate "online")	7140-13 (there are NO letters after the course number)
Lunch/Flex	There will NOT be a lunch/Flex class on a CWOLA student's schedule	There will be a lunch/flex class on a school-based schedule. 7th Flex 7th Grade Lunch

Please reach out to the counseling office if there are mistakes with your student's schedule, and we will fix them. We are not changing classes for students unless there was a mistake and your student is not in the correct courses or is not correct regarding CWOLA/School-based.
